## > Your Questions Answered

### WHAT IS THE RIGHT OF INTERMENT?

The Right of Interment (ROI) is the purchase of the right to use a piece of land (location) for burial, ashes placement and/or memorialisation. All ROI's include endowment care which is the maintenance of the location in perpetuity.

The total number of burials that can take place is determined at the time of the first interment. Up to three people can be interred in one location.

All burial locations can accommodate the placement of ashes in addition to any burial interments.

### ARE PREPAYMENTS AVAILABLE?

Pre-need memorials may be purchased at today's prices (including the exclusive Right of Interment and Endowment Care). Memorial plaques, granite rests, vases and urns are purchased at the time of need.

### ARE THERE FLEXIBLE PAYMENT PLANS?

The Trust has established the option of payment plans for pre-need products and services.

### WHO DO I SPEAK TO ABOUT PLAQUES?

Memorial plaques are available from the cemetery. Please come and visit our customer service staff who will assist with the plaque design and provide an image of the design for your review.

A variety of options for the plaque design e.g. motifs, emblems, photographic reproductions are available, full price list on the cemetery website. Samples are available for viewing at our office.

### WHAT ABOUT HEADSTONES AND MONUMENTS?

Headstones and monuments are purchased from Monumental Stonemasons and are required to meet Trust specifications.

Maintenance of the memorial plaque, headstone or monument is the responsibility of the holder of the right of interment.
